Letter from our Executive Board

Dear valued sponsor,

On behalf of Kappa Theta Pi National Association, we would like to extend our gratitude for taking the time to review our sponsorship proposal. We are thrilled to announce the official establishment of the Kappa Theta Pi National Association, and we invite you to join us as a partner in shaping the future of technology professionals across the country. As the nation's premier co-ed professional technology fraternity, Kappa Theta Pi fosters innovation, leadership, and growth among students in tech and related fields. Our national network connects driven individuals from universities nationwide, equipping them with the skills and networks needed to thrive in today's tech landscape.

We are committed to building a cohesive community by uniting our university chapters under the National Association. Our goal is to create a collaborative network where members can grow together. With your support, we plan to develop national leadership summits, hackathons, and mentorship programs that provide invaluable professional opportunities. By aligning our chapters and resources, we aim to give our members the tools they need to succeed in the tech industry.

Sponsoring Kappa Theta Pi National Association offers a unique opportunity for your organization to connect with the next generation of tech talent. Your support will help us expand our initiatives, host impactful events, and provide resources that enhance our members' professional development. In return, your company will gain visibility across our nationwide network and participate in recruitment and networking events that cultivate future tech leaders.

We look forward to partnering with you and appreciate your consideration in supporting Kappa Theta Pi National.

Best regards,

Kappa Theta Pi National Association Executive Board

Why KTP National?

Mission

Kappa Theta Pi National Association has a far-reaching impact on both students and the technology industry. Our members gain access to industry-leading resources, mentorship opportunities, and exclusive events that connect them with professionals from top companies. Our alumni have gone on to make significant contributions at organizations such as Google, Microsoft, Apple, and Tesla, influencing innovation and shaping the future of technology.

Your support empowers our members to become future tech leaders, fostering a new generation equipped with the skills, network, and insights needed to succeed in a rapidly evolving field. Together, we create opportunities for professional growth, community building, and technological advancement that resonate across industries.

Vision

To be the leading organization that nurtures the next generation of diverse technology leaders, driving innovation and shaping the future of industries through collaboration, education, and unparalleled opportunities for growth and impact.

Why KTP National?

Pillars

Professional Development

Through events like interview training, resume building, one-on-one mentorship, private company recruiting, and more, Kappa Theta Pi Professional Development aims to prepare members for success in any technology-related career. We take pride in developing the tech leaders of the future.

Alumni Connections

Our alumni are spread across the world and work on cutting-edge technologies. They work at a plethora of companies – from tech companies like Microsoft, Amazon, Facebook, Apple, and Google, to startups, consulting firms, financial technology firms, and more!

Social Growth

The people members meet in Kappa Theta Pi will go on to be some of their closest connections throughout college and beyond. We host a variety of exclusive social events throughout the semester through which our members can bond, some of which include formals, tailgates, retreats, and apple pickings.

Technical Advancement

Kappa Theta Pi provides members numerous opportunities to enhance their current technical skills, as well as learn new ones. Whether it be participation in one of our various project teams or attending a technical workshop, we make it easy for our members to expand their expertise.

Academic Support

Kappa Theta Pi brothers strive to foster academic growth and excellence for each other. We provide a supportive network filled with some of the brightest tech minds at the university that members can always rely on for help in classes and extracurricular activities.

Our Chapters

Kappa Theta Pi has active chapters across numerous universities, creating a national network of technology-focused students. Below is a list of our active chapters:

Alpha – University of Michigan, Ann Arbor, MI (Founding Chapter)

Beta – University of Pittsburgh, Pittsburgh, PA

Gamma – Rose-Hulman Institute of Technology, Terre Haute, IN

Delta – Syracuse University, Syracuse, NY

Epsilon – University of Maryland, College Park, MD

Zeta – The College of New Jersey, Ewing, NJ

Eta – University of North Carolina at Chapel Hill, Chapel Hill, NC

Theta – University of Chicago, Chicago, IL

Iota – University of Texas at Austin, Austin, TX

Kappa – Northwestern University, Evanston, IL

Lambda – Boston University, Boston, MA

Mu – University of Texas at Dallas, Richardson, TX

Nu – University of Colorado Boulder, Boulder, CO

Rho – Vanderbilt University, Nashville, TN

Sigma – University of Miami, Coral Gables, FL

Tau – University of Southern California, Los Angeles, CA

Upsilon – Lewis University, Romeoville, IL

Phi – University of Georgia, Athens, GA

Chi – Nova Southeastern University, Fort Lauderdale, FL

Psi – Cameron University, Lawton, OK

Omega – Northeastern University, Boston, MA

Alpha Alpha – University of Central Arkansas, Conway, AR

Alpha Beta – Rutgers University, New Brunswick, NJ

Alpha Gamma – Virginia Tech, Blacksburg, VA

Alpha Delta – The Ohio State University, Columbus, OH

Alpha Epsilon – Cornell University, Ithaca, NY

Alpha Zeta – University of Virginia, Charlottesville, VA

Alpha Eta – Indiana University, Bloomington, IN

Joining our national association impacts this expansive network, connecting students with professionals and fostering the development of tech leaders across the country.

Our Chapters in Action

HUBS, a startup by UM's chapter members, receiving UM USTAAR Startup Accelerator grant.

UMD's chapter members at the Grace Hopper Convention celebrating women in tech.

Wreath-making and holiday music event at The Stratford Assisted Living by UNC's chapter.

Harvard WECode Conference, attended by UChicago's KTP chapter members.

Winners of the Google Social Good Competition, members of UM's chapter.

Revere Beach cleanup by BU's chapter, an initiative by the philanthropy committee.

Our Chapters in Action

UM's KTP members attending the 10th year anniversary of eMerge Americas, the premier tech conference held at the Miami Beach Convention Center.

OSU KTP's Blockchain and Crypto Committee explores quantitative trading strategies during their latest meeting.

OttoTHON charity event to support Upstate Golisano Children's Hospital, attended by Syracuse's KTP members.

Speaker series kickoff with Marc Tarpenning, co-founder of Tesla, at Northwestern.

UT Startup Crawl appearance by UT Austin's chapter members.

Design Jam presentations by UMich chapter members and pledges, in collaboration with ATD.

Impact

Kappa Theta Pi National Association empowers future tech leaders by building a nationwide community rooted in innovation, collaboration, and professional development. Members gain access to invaluable resources, mentorship, internships, and events, equipping them with the skills and connections to succeed in the tech industry.

Alumni Success

Our alumni excel at top companies like Google, Microsoft, Apple, and Tesla, contributing significantly to technological advancements. This dedicated network of alumni continues to support current members, fostering a cycle of mentorship and growth.

Career Opportunities

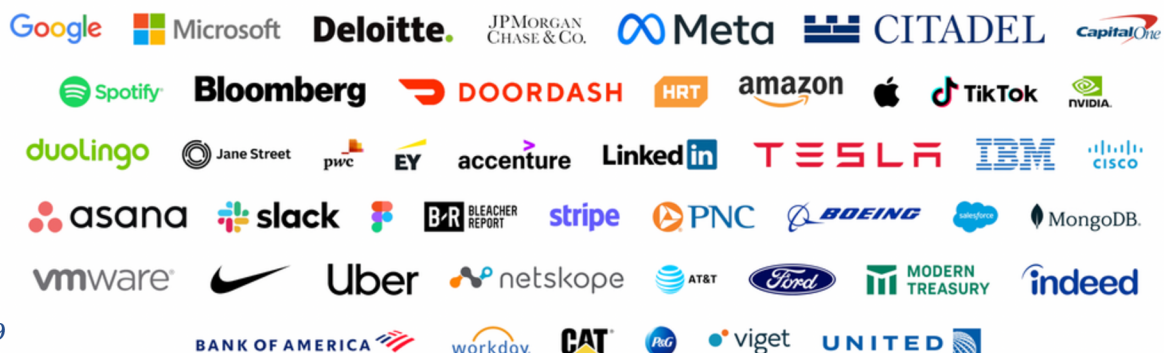

Through partnerships with leading tech companies, Kappa Theta Pi provides members with exclusive internship and job opportunities, allowing them to gain real-world skills and build their professional networks early in their careers.

Community Engagement

With chapters across the U.S., Kappa Theta Pi connects diverse students passionate about technology. Through collaborative events, workshops, and hackathons, members form lasting relationships and a supportive network that endures beyond graduation.

Sponsor Contributions

Our sponsors play a vital role in amplifying our impact. Their support enhances our resources and programming, creating more opportunities for members. By investing in Kappa Theta Pi, sponsors contribute directly to the professional growth of future tech leaders.

Thank You!

Dear valued sponsor,

On behalf of our Kappa Theta Pi family to yours, we sincerely thank you for reviewing our sponsorship proposal. Your support of our mission to empower the next generation of technology leaders is greatly appreciated. Through your partnership, we can inspire, educate, and uplift talented students to realize their full potential in the tech industry.

Your involvement will profoundly impact our members' development while fostering innovation, collaboration, and lifelong connections. With your support, we can continue to expand opportunities, ensuring our members have the resources necessary to lead in the ever-evolving world of technology.

We are excited about the opportunity to create impactful experiences like leadership summits, hackathons, and mentorship programs. Your sponsorship is a direct investment in the future of our industry.

If you have any questions or need more information about sponsorship tiers or benefits, please don't hesitate to reach out to our executive team. We are happy to discuss sponsorship options that align with your organization's goals.

Thank you again for your time and belief in Kappa Theta Pi's mission. Together, we can make a lasting impact on the future of technology.

Best regards,

Kappa Theta Pi National Association Executive Board
